Basic licences are for on-site use by students and off-site use by site teachers for preparation purposes.

Extended secondary licences available for online use by students accessing VLEs and schools own site.

Please complete and attach this form to any official order to avoid confusion.

A site order means all pupils on roll to count.

Any site only needs to purchase the licence for one compilation.

Site licences for **Primary Schools** based on roll number.

Number on Roll	PLW5P	PLW5PS1	420 tests add
- 99	£150	£165	£15
100 - 199	£190	£210	£24

Number of macros in worksheets and puzzles have been reduced and fonts changed to make more of the material Mac friendly. Secure tests have macros so will not run on a Mac hence availability of less secure versions that can be used as test yourself.

T for secure tests marked with macros.

Y for test yourself versions without macros. Essentially the same tests.
